

## ***PARTY SAFELY***

### ***There Ain't No Party Like a Safe Hedo Party !!***

Providing you with the sexiest and sensual Hedo experience is what we are all about at Hedonism II. In the best of times, we take the health and wellbeing of our guests and staff very seriously. In these times we have been working on new sanitation and safety protocols to ensure that our valued guest can PARTY SAFELY.

Each of the measures that we have implemented, follow the directives and recommendations of both Jamaican and international organizations, and will be updated as additional information becomes available. The PARTY SAFELY program includes the following actions to protect your health during your stay:

#### **PREVENTATIVE MEASURES:**

- Enforcement of mandated social distancing in all common areas, including lobby, restaurants, bars, and pools.
- Temperature taking using infrared sensors.
- Buffets will no longer be self-service. Rather, our staff will happily prepare your plate.

#### **CONSTANT SANITATION:**

- Continuous and effective disinfection of in room surfaces and air conditioners.
- Frequent sanitizing of high contact areas.
- Detailed disinfection of luggage at the time of arrival.

#### **PROTECTION SERVICES & MATERIALS:**

- Personal protection equipment supplies for each guest.
- Anti-bacterial gel stations in all areas throughout the resort.
- We will be offering anti-bacterial gel to guests on a regular basis.
- Upgrade the on-property medical team to include specially trained nurses in the detection and care of any potential COVID-19 cases.
- 24-hour medical service.

#### **Additionally, we have implemented the following protocols with/by our staff:**

- Continuous training about preventative measures and disinfection processes for rooms and common areas.
- The use of face masks and personal protection equipment is mandatory.
- Guaranteed use of correct hand-washing techniques.
- Regular taking of temperature.

#### **HEALTH CERTIFICATIONS**

We have also enhanced sanitation and cleaning protocols to meet the new industry standards and will be reinforcing all health and sanitation certifications, including **Jamaica's Tourism Product Development Company (TPDCO) and Cristal International Standards.**

*"We have spent the last month undertaking preparations and consulting with local and international organizations to make sure our enhanced safety measures are up to the highest standards. We look forward to welcoming home our guests and are confident that we will all adapt to our 'new normal' with minimal disruptions to the iconic Hedonism II experience."*
