

On-site COVID-19 tests at Blue Diamond Resorts

January 21, 2022

Dear Valued Partners,

In a dedicated effort to providing a seamless travel experience to any of our resorts throughout the Caribbean, we would like to share details regarding on-site testing at all Blue Diamond Resorts properties.

For the convenience of our mutual clients, starting January 1, 2022, guests returning to their home countries who are required to present a negative COVID-19 test have access to **RT-PCR and viral antigen testing on property at an added cost**. Testing will be carried out by a medical professional in a designated area of the resort and guests will be charged the below rates.

Please note this information is subject to change at any time and without previous notice.

Disclaimer: COVID-19 viral testing is a third-party service provided by a certified local lab in alliance with our in-house doctors. Blue Diamond Resorts will not accept responsibility for any disputes related to the use of this service. The use of this service is at the complete discretion of the guest and guests will always have the option to visit any local clinic to take the test on their own.

POSITIVE RESULTS

Should any Blue Diamond Resorts guest test positive for COVID-19 on property, we have established very strict protocols that must be followed with no exception. This is in order to protect and ensure the health and safety of other guests and employees. The following protocols instituted on-site cover every element surrounding a suspected COVID-19 case:

- Guests will have to quarantine in a designated room in compliance to local regulations and cannot leave the area under any circumstance.
- Guests must follow all indications provided by the Resort staff during their quarantine time. Medical professionals will assess their health status.
- We will do everything to provide a relaxing and pleasant stay. However, the health and safety of our guests and staff is priority. Medical assistance, care and room service will be provided 24/7.

- All guests items such as linen and dishes must be handled according to specific guidelines during the quarantine time.

Please note specific government protocols and national regulations may vary according to the destination and slightly impact resort response.

To accommodate guests who test positive on-site, Blue Diamond Resorts has implemented special nightly rates in the event they must extend their stay in the destination. These rates will only cover the operational costs and therefore will be exclusively used for these types of cases.
