Re: Required to Check-in at Breezes Bahamas

All guests, regardless of nationality or vaccination status are required to present a **VALID Travel Health Visa**(expired Travel Health Visas are not accepted) - **OR a negative COVID-19 test** taken no more than three (3) days / 72 hours prior to check-in.

Expired Travel Health Visas and tests taken more than three (3) days prior to check-in are not accepted.

On-site Testing is available for customers as required.

Rapid (antigen) tests are available at Breezes Bahamas for **\$35 per person, per test**. Guests can schedule this with a front desk agent while at the resort.

PCR tests are not available at Breezes Bahamas. Guests should arrange PCR testing with local clinics that provide this directly.
