

**THE REEF**  
RESORTS AND SPA

## COVID TEST AVAILABLE

---

**The Reef Resorts hotels & Spa** are offering the Covid-19 test **on property** for all our guests that require a Covid test according to the requirements established by their country.

At no circumstances we want our future guests to worry, cancel or stress out planning their well-deserved vacation at our hotels.

We will start offering this service as of **January the 26th**.

### **IMPORTANT COVID TESTING DETAILS:**

- On-site property testing will be administered by a certified local health institution.
- Test results will be received within 24 hours in written format as required by the CDC.
- Appointments for testing should be made upon arrival at each resort with our Guest Service management.
- Each guest should take into consideration their home country's specific requirements such as test to be taken 72 hours prior to departure etc.
- In case of a positive test received, preventing return to their country, the hotel provides a 14 days quarantine stay.
- A complimentary quarantine 14 days stay will be available for the positive tested guests and one travel companion sharing one room (valid for traveling till Government requirements are lifted).
- The quarantine stay will be under WHO protocols & supervision of the assigned health care professional.
- We will update our guests with the Covid-19 related services according to the government requirements.
- Preferential **Reef Resorts** Prices for Covid Tests:
  - Rapid Antigen Test: **\$22 USD** per test
  - PCR COVID-19 : **\$150 USD** per test

**The Reef Resorts** will keep you informed about further developments, thank you for your understanding and most important for everyone, let's try to enjoy traveling no matter what comes along the way.

*Together we stand strong,  
On the beach is where you belong,  
Nothing will stop us from enjoying freedom,  
No matter what will be the outcome,  
We will not surrender, we will find our way,  
For you to be with us and enjoy your stay.*

#### **Disclaimer**

The service is a third-party provided by a certified local institution in alliance with our hotel. This service must be considered as an agreement between the guest and the third-party provider. **The Reef Resorts** is offering the facilities and options to make this testing the least complicated for our guests to enjoy a nice vacation but will not accept responsibility for anything related to the use of this service since it is not part of the hotel Industry services provided.

The guest will always have the option to visit any other local clinic to take the test on her/his own.
