We sincerely hope that you and your loved ones are staying safe during these extraordinary times.

We are writing to you today, to let you know that here at Windjammer Landing we are able to facilitate all testing requirements for your clients' return home, right here at our resort.

Antigen Testing

The new CDC guidelines require that all passengers arriving to the US from any foreign country get tested no more than 3 days before their flight departs. Arriving passengers must provide proof of the negative test result to the airline before boarding the flight. This order will go into effect commencing on January 26th, 2021. For more information please visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/testing-international-air-travelers.html>

For entry into England, PCR, LAMP or antigen tests are accepted providing they meet the UK government's stated standards. For more information on this please visit: <https://www.gov.uk/guidance/coronavirus-covid-19-testing-for-people-travelling-to-england>

Windjammer Landing is delighted to offer **complimentary antigen testing** to any guests staying at the resort for a minimum of 5 nights. This test is done onsite and results are provided within 24 hours and an electronic copy of your results will be provided. For guests staying between 1 – 4 nights we can provide the rapid antigen test at \$50 USD per person.
